SUMMARY

Front-End Developer with 2+ years of experience building responsive, high-performance web applications using **HTML, CSS, SCSS, Tailwind CSS, JavaScript, Typescript, React.js, Next.js and React Native**. Experienced in converting Figma designs into pixel-perfect interfaces and developing scalable, user-friendly websites. Proficient with **WordPress, Elementor, Bootstrap, Material UI (MUI), GSAP, and Git**, with a strong focus on clean code, performance, and responsive design.

WORK EXPERIENCE

Associate Front-End Developer 06/2024 – Present
Technyx Systems
- Developed responsive web applications using **React.js, Next.js, React Native, JavaScript, Typescript, HTML, CSS, SCSS and Tailwind CSS**.
- Converted Figma designs into **pixel-perfect, responsive** user interfaces.
- Integrated reusable components to improve development efficiency.
- Fixed UI bugs and optimized website performance.
- Collaborated with designers and backend developers to deliver client projects.

Junior Front-End Developer 09/2023 – 04/2024
Bhabha Technologies
- Developed responsive business websites using **HTML, CSS, JavaScript, and Bootstrap**.
- Built custom landing pages and reusable UI components.
- Optimized websites for mobile responsiveness and cross-browser compatibility.

PROJECTS

Tourism Platform (NDA)
Tech: React.js, Material UI, JavaScript
- Developed reusable React components and implemented new UI features.
- Refactored legacy components to reduce technical debt and resolved critical front-end bugs to ensure seamless user navigation.
- Integrated REST APIs and connected dynamic data with the application.
- Collaborated with designers and backend developers to deliver responsive, high-quality user interfaces.

E-Learning Platform (NDA)
Tech: Next.js, Material UI, JavaScript
- Developed reusable UI components using **Next.js**.
- Implemented responsive user interfaces based on design requirements.
- Enhanced existing components to improve usability and maintainability.
- Collaborated with frontend developers to deliver clean, scalable, and production-ready features.

EDUCATION

Bachelor of Computer Science 2023 – Present
Iqra University, Karachi

SKILLS

Technical Skills — HTML, CSS, SCSS, Tailwind CSS, JavaScript, Typescript, React.js, Next.js, React Native, WordPress, Elementor, Bootstrap, Material UI (MUI), GSAP, Git

Development Practices — Responsive Design, Mobile-First Development, Cross-Browser Compatibility, REST API Integration, Agile, Scrum, Debugging

CERTIFICATIONS

Software Engineering Diploma
Aptech Tariq Road

Web Development Certification
Saylani Mass IT Training
